

AFROS & AUDIO VIRTUAL PODCAST FESTIVAL

So, You Wanna Be a Voice Actor?

DESCRIPTION:

Your mic sounds nice, and you've made peace with the sound of your voice. So how do you move from hosting a podcast to starting a professional voiceover career? In this session, Daree will talk about her journey from podcasting to becoming a professional voice talent, lending her voice to national commercials, e-learning, and audiobooks, and how you can do it too!

Takeaways:

- Different genres of voiceover (VO) and training
- Conferences, blogs, and podcasts to gain more skills and knowledge
- Finding work as a voice actor.

FACILITATOR:

Daree Allen Nieves is an award-winning writer and voice actor. Daree has over 20 years' experience with technical and copywriting and wrote three books on personal development.

In 2015 she earned her life coaching certification and began hosting the "Kickin' it with Daree" podcast. She also co-hosts the "C'mon Son" podcast with her sister. She enjoys inspiring people and using her voice for good.
